Tuyitu Foundation School is committed to fostering an inclusive, equitable, and supportive learning environment in alignment with the guidelines of the Central Board of Secondary Education (CBSE), the National Education Policy 2020, and the Rights of Persons with Disabilities Act, 2016.

The school believes that every child has the right to quality education and ensures that students from diverse backgrounds, including Children with Special Needs (CwSN), learn together in a respectful and nurturing environment.

We promote inclusive practices through:

Equal opportunity in admission without discrimination

Barrier-free and child-friendly infrastructure

Use of inclusive teaching strategies and individualized support (IEPs)

Support from qualified special educators

Fair and flexible assessment practices

Regular teacher training and awareness programmes.

The school encourages a culture of empathy, respect, and acceptance, ensuring that no child feels excluded. Parents and the community are actively involved in supporting the holistic development of every learner.

Tuyitu Foundation School remains dedicated to removing barriers to learning and creating a safe, inclusive space where every child is valued and empowered to succeed.
